

UTILITIES AND ENERGY EFFICIENCY: THE FIFTH FUEL

Tuesday, November 28, 2006

*Radisson Plaza Hotel
Lexington, Kentucky*

Agenda

Meeting Objectives:

- To use the National Action Plan for Energy Efficiency as a springboard for discussion and action in our state.
- To learn about and discuss the “business case” for energy efficiency in Kentucky, including benefits to utilities, consumers (residential, commercial, and industrial), the state economy, and the environment;
- To share information on the key challenges to increased energy efficiency and consumer awareness in the state;
- To jointly discuss proposed Kentucky initiatives that can begin to address challenges of increased energy efficiency and consumer awareness;
- To identify a list of priority action items for a diverse coalition of stakeholders to make progress on energy efficiency in Kentucky.

7:00 – 8:00

Arrival and Registration

- Coffee and Refreshments

8:00 – 8:15

Welcoming Remarks

- Welcome from Summit Sponsors
Talina Mathews, Executive Director, Governor’s Office of Energy Policy
- Overview of Meeting Objectives, Agenda, Ground Rules, and Potential Kentucky Initiatives to Promote Energy Efficiency
Abby Arnold, RESOLVE, Facilitator

8:15 – 8:45

Keynote Address: Why Energy Efficiency, and Why Now?

- What has changed in recent years to bring energy efficiency to the forefront? Where should we be headed and how can work together to get there?
Kateri Callahan, Executive Director, Alliance to Save Energy
Ted Schultz, Vice President for Energy Efficiency, Duke Energy
- Facilitated Discussion and Group Q&A
Abby Arnold, RESOLVE, Facilitator
